

CERTIFICATE

This is to certify that the company

Hubert De Backer N.V.

Laagstraat 59
9140 Temse
Belgium

with the organizational units/sites as listed in the annex

has implemented and maintains a **Quality Management System** for primary packaging materials for medicinal products – particular requirements for the application of ISO 9001:2008, with reference to Good Manufacturing Practice (GMP)

Scope:

Design and development; mould construction; manufacturing (in ambient and cleanroom environment) bx moulding, printing, assembly, packaging; warehousing and sales of plastic packaging materials for medicinal products.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:
